Steve -

Sounds good - we can talk then or earlier if you want - unfortunately, I have a prior commitment in Durango from 12:00 to 3:00 on May 27 (unless I can get it changed). I could meet with you in the morning or after the ARSG meeting - either could work. Let me know what works for you.

Steve

>Steve - I have some copies of Geologic Maps that may be helpful in opening the Gold King #7 Level at Gladstone. (Took a while to find locate it this winter) I would be glad to loan it to you for this purpose. Let's talk about how we can arrange to get it to you.
